# USM- NSRC Holds Disaster Preparedness and Response Workshop

April 11, 2025

USM - National Service Reserve Corps

April 12 · 🌐

HIGHLIGHTS PART 1 | USM-NSRC HOLDS DISASTER PREPAREDNESS AND RESPONSE WORKSHOP

Last April 11, the **University of Southern Mindanao – National Service Reserve Corps (USM-NSRC)** conducted a **Disaster Preparedness and Response (DRR) Workshop** at the Dominador D. Clemente Graduate School. The initiative sought to enhance the university community's competencies in disaster risk reduction and emergency response.

The workshop was attended by members of the **University Search and Rescue Team (USART), University Volunteers Club (UVC), CWTS Officers and Representatives, and the NSRC**. A highlight of the program was the **Talk Sessions**, which featured a series of insightful discussions delivered by experienced professionals in the field.

Among the speakers were **Acting MDRMO of LGU Kabacan Rosalie B. Budoy and LDRMO III Latip E. Akmad**, who provided in-depth discussions on Disaster Risk Reduction and Management (DRRM). **SGT. Henstein Perez (PA) RES** presented essential First Aid procedures, while **FOI Jamid Jasper F Cadi, FOI Jaypee Ryan V Culanag, FOI Camille L Fullo, and FOI Jasper John L Porras** of the Bureau of Fire Protection (BFP) shared critical knowledge on fire safety and emergency protocols.

This workshop underscores the USM-NSRC's continued commitment to fostering a proactive, resilient, and service-oriented academic society — for the university, for the community, and for the nation.

**NSRC, a promise for Service and Commitment in Duty to the Nation.**
