RECOMMENDATIONS TO THE INSTITUTION:

MANDATORY (to be complied with before the award)	ENHANCEMENT (may be complied with after the award)
1. The program is highly recommended to plan and implement interventions for the program to attain a LEND performance 50% higher than the national passing rate.	1. Conduct the program-based extension project, regularly monitor the activities, secure copy of accomplishment report and conduct impact studies focusing on the social, economic and other aspects of life of beneficiaries.
2. Research results of at least 30% of the completed researches 2019-2023 (20 studies presented) are recommended to be disseminated either to national/international fora or through journal publication.	2. Utilization of research results like for the enhancements of instruction, for extension activities or commercialization, whichever is applicable, is recommended.
3. Prepare program-based extension plan with several projects capturing the different competencies in BSND.	3. Present the 10-year BSND Faculty Development Plan and make a report of the accomplishments.
4. Present BOR approved ND Extension Manual.	4. Strengthen the program's international linkages and consortia for possible exchanges of resources such as student exchange, faculty exchange, research collaboration, trainings and technical assistance; On-the-Job Training, etc. Said undertakings must be covered by a Memorandum of Agreement
5. Teacher-made instructional manuals and technologies developed are recommended to be protected.	5. Exchange of Instructional Materials with other leading SUCs may be maintained and sustained.
	6. Improve the presentation of the Narrative Profile. Make sure to include all the supporting documents.
	7. Ensure that all BSND faculty members maintain active membership to professional organizations.
