

Table 1. List of Researches of Core Faculty of PhD in Agricultural Sciences – Animal Science

Title	Proponents	Year Conducted
Establishment of Regional Knowledge Management (KM) Hub in SOCCSKSARGEN through the RAISE Program.	Josephine R. Migalbin	2025
Organic Corn Seed Production in Brgy. Saniag, Ampatuan, Maguindanao del Sur	Mary Joy S. Cañolas, Efren E Magulama, Nenita E. Olero, Janice M. Bangoy	2024
Re-echo Training to Farmer's Cooperatives/Associations on Soil Sampling, Analysis, and Fertilizer Management in the Provinces of Maguindanao del Sur, Maguindanao del Norte, and SGA.	Mary Joy S. Cañolas	2024
Regional Intellectual Property and Technology Business Management (IPTBM) in SOCCSKSARGEN through the RAISE Program.	Pia Amabelle Flores, Cyrelle Besana and Julius Jerome Ele	2024
Optimization of The Production of Biochar from Coconut and Animal Waste	Jurhamid C. Imlan and Rezin G. Cabantug	2024
Technological Innovation and Value Addition Through Product Diversification of High-Value Crops for Halal Cosmetics and Supplements	Queennie L. Rufino, Liezl Gray Oria, Marivic D. Candari, Jurhamid C. Imlan, Sandra Joy P. Pahm and Mary Ann B. Rama	2024
USM Halal Love ko to:Futures Initiatives on Halal Smart Product Developments and Innovations for 2050	Jurhamid C. Imlan	2024
Development of Protocols and Identification of Halal Critical Control Points (HalCCP) Towards Establishment of Philippine National Standards (PNS) for Halal Sheep and Vegetable Production	Josephine R. Migalbin, Jurhamid C. Imlan, Mary Ann B. Rama	2024
Sustainable Forage Production Systems for Ruminant Livestock at USMARDC	Mary Joy S. Cañolas, Ivy M. Pasquin, Lorelyn Joy T. Milagrosa, & Geoffray R. Atok	2023

CAPE 2- Consultancy for Agricultural Productivity Enhancement Program	Francisco Gil N. Garcia, Edward A. Barlaan, Mary Joy S. Cañolas, Janice M. Bangoy & USM Experts	2023
Promoting Resilient OPV Corn Seed Production for Enhanced Economic Development and Sustainability (PROSEEDS)	Francisco Gil N. Garcia, Efren E. Magulama, Mary Joy S. Cañolas and Janice M. Bangoy	2023
CA-CARE: Capacity and Resiliency Enhancement for Agricultural Technologist of Cotabato Province	Noe S. Mamon, Jr. & Julius Jerome G. Ele	2023
Development of E-learning Modules for Certificate Courses in Halal Science	Jalaloden Marohom, Francisco Gil N. Garcia, Jurhamid C. Imlan and Josephine R. Migalbin	2023
Development and Halal Verification of "Plant-Based Protein-Rich" Feed for Halal Grown Poultry Products	Jurhamid C. Imlan, Queennie L. Rufino, & Mary Ann B. Rama	2023
Development of Protocols and Identification of Halal Critical Control Points (HalCCP) Towards Establishment of Philippine National Standards (PNS) for Halal Sheep and Vegetable Production	Josephine R. Migalbin, Jurhamid C. Imlan, Mary Ann B. Rama, and Sandra Pahm- Imlan	2023
Utilization of Corn Sprouts as Fodder for Livestock Production	Mary Ann B. Rama, Efren Magulama, & Josephine R. Migalbin	2023
Halal Principles and Concepts: Fundamentals of Halal and Haram Halal Ecosystem	Jurhamid C. Imlan	2021
Halal in Mainstream Education	Josephine R. Migalbin	2021
Volume and Availability of Water Lily in Liguasan Marsh for "Productivity and Commercialization" and "Utilization of Water Lily as Feed Ingredients in Total Mixed Ration for Meat Type Dairy Goats."	Josephine R Migalbin, Julius Jerome G. Ele, Geoffray R. Atok & Lorna G. Valdez	2018
Research Forum: "Maturity of Vermicompost and its effect for Plant Nutrient Management and Pest and Disease Control"	Josephine R. Migalbin & Geoffray R. Atok	2016
