February 2026

SPAY AND NEUTER AWARENESS MONTH

show your furr-baby some love by getting them spayed/neutered.

what are the benefits of spaying and neutering your pets ?

Helps reduce the number of homeless animals and unplanned pregnancies.

Prevents testicular/prostate issues in males and life-threatening uterine infections in females.

Lowers the risk of spreading zoonotic diseases like rabies to the human population

Decreases the urge to wander, escape, or search for females in heat, reducing risks of injury or accidents.

Association of Veterinary Technology Students

The Bachelor of Science in Veterinary Technology (BS-VT) degree is a four-year program. Provides the foundation need to work in a variety of animal healthcare settings.

This program provides an in-depth education in animal science, medical procedures, and clinical techniques. Students learn how to assist veterinarians in diagnosing, treating, and caring for animals.

Gain hands-on experience through clinical rotations, working in real-world veterinary environments to refine their skills. Comprehensive and rigorous, covering both theoretical knowledge and practical skills.

since 2005

Heads up, VetMates! 🐾

🔹 The **College of Veterinary Medicine**, together with the **CVM Local Student Government**, is holding its **College-Based Orientation Program** tomorrow, **August 4, 2025, at 1:00 PM at the Graduate School Building.** 🐾

Get ready, freshies this is your official welcome to **USM-CVM!**

We'll give you the inside scoop on campus life.

And of course, what it's really like to be part of CVM! 🐾🐾

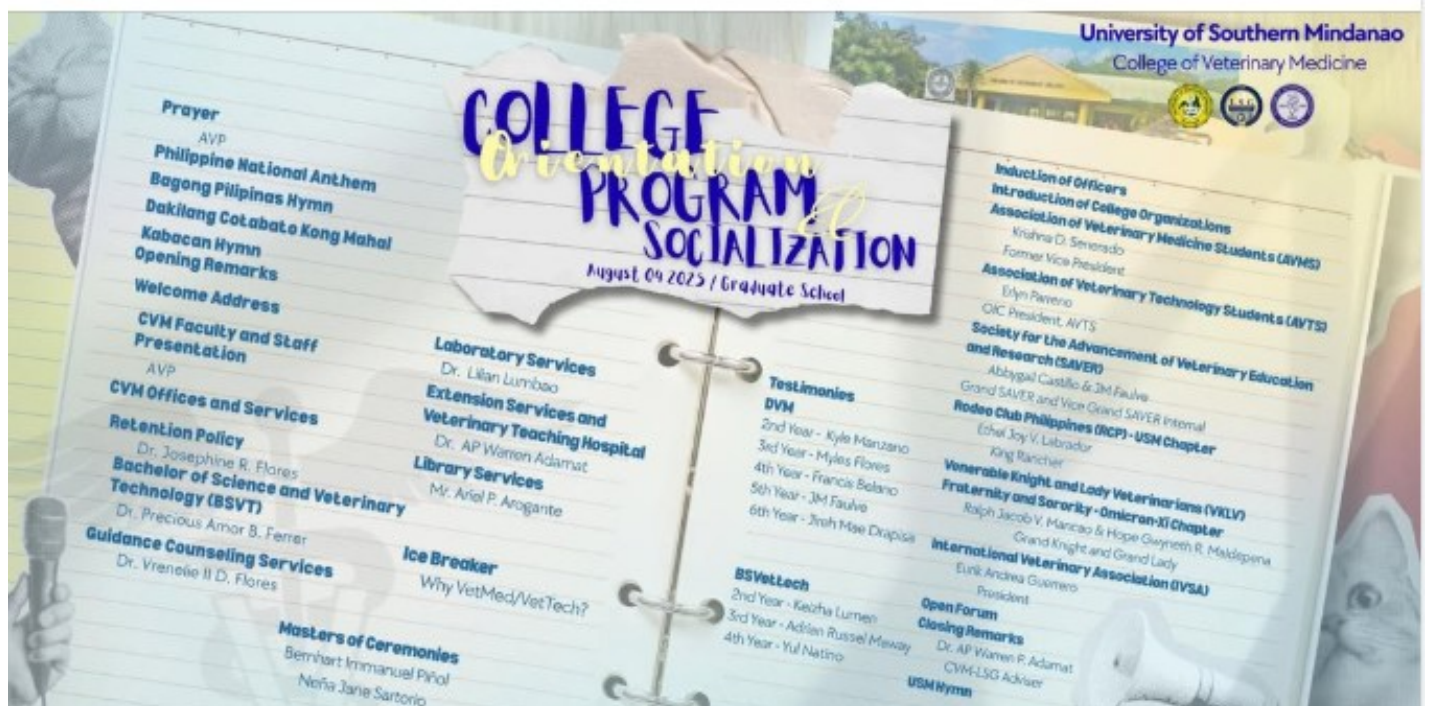

We're excited to welcome you to the family, see you there! 🐾

🎉 *Welcome to the Herd!* 🎉

The *College of Veterinary Medicine* just wrapped up an exciting Campus Tour for our DVM and BSVT freshmen! 🎉 Led by the CVM-LSG and joined by our amazing college organizations — *AVMS, AVTS, IVSA, SAVER, RCP, and VKV-VLV* — the tour gave our freshies a glimpse of their new home, new family, and the journey ahead. 🐾🐱🐾

Here's to new beginnings, lasting friendships, and a shared passion for animals and veterinary excellence! ❤️ Let's make this year paw-some together! 🎉🌟
