Dear Mr. Garcia:

Greetings!

One of the banner programs being implemented by the Sugar Regulatory Administration (SRA) under R.A. 10659 or the Sugarcane Industry Development Act of 2015 (SIDA) is the Human Resource Development Program (HRDP) where the Scholarship Program is among the five components. Said program is intended for the underprivileged but deserving college and postgraduate students who are either children and/or relatives of the sugarcane farmers and workers, taking up relevant courses in SUCs as stated in the Implementing Rules and Regulations (IRR) of the SIDA Law.

As per our record, there are ten (10) SIDA scholars enrolled in University of Southern Mindanao for Academic Year 2024-2025. Relative to this, SRA's HRDP-TWG is scheduled to visit Region XII to conduct the orientation and monitoring activities for the effective dissemination of the scholarship guidelines to our beneficiaries (on-going scholars and graduates) and stakeholders. Certificate of Recognition will be awarded to graduates, board passers and those with distinction or honors as one of the post scholarship incentives given by SRA. This activity is in coordination with Mr. Rex Dumolobo being the SRA's Cotabato Mill District Officer.

In this light, we would like to seek your approval to use one of the facilities in your campus as the venue to conduct this activity on October 23, 2024 at 9:00 AM. A representative from your institution is most welcome to take part in this valuable undertaking to be familiarized with the scholarship program being implemented by SRA.

Thank you for your assistance in this endeavor that aims to give good education to the less privileged but deserving dependents of our sugarcane farmers that can spell a huge difference in their future.

Very truly yours,

MARCO D. BORIANO
 Manager III, Administration and Finance Dept.
 & SIDA- HRDP TWG Head
