Ms. Cheryl Y. Dulay, DBA
Dean, College of Business, Development Economics and Management
University of Southern Mindanao

Dear Ms. Cheryl Y. Dulay, DBA,

Greetings!

The **UP Society of Management and Economics Students (UP SMES)** is one of the duly recognized academic organizations in the **University of the Philippines Los Banos (UPLB)** under the **College of Economics and Management (CEM)**. **UP SMES** is accredited by the Office of Student Affairs UPLB and is also a member of the **Junior Philippines Economics Society (JPES)**, a national confederation of economics students in the Philippines, and the **Junior Confederation of Finance Associations - Philippines (JCFAP)** which is an umbrella organization of over 180 college-based finance organizations in the country. As one of the prestigious organizations in the University, UP SMES constantly pursues its mission to promote academic excellence among students not only in CEM but also in the entire UPLB and other institutions.

For this year, the UP SMES is set to launch the sixth annual installment of its flagship national event, Entrelympics, with the theme "**Ad Astra Innovatio (Innovation to the Stars): Unlocking Stellar Opportunities for MSMEs Through Digitalization.**" A two-day event featuring a series of insightful discussions and interactive activities will be held to achieve the following objectives:

- To equip Filipino youth and MSMEs with practical, innovation-driven skills that strengthen digital readiness and entrepreneurial capability.
- To build multi-sector collaboration among students, MSMEs, schools, organizations, government agencies, and industry partners to support inclusive, technology-enabled enterprise growth.
- To deepen awareness of MSME digitalization challenges and opportunities by promoting solutions, strategies, and policy insights that advance MSME development.

Entrelympics 2026 will feature a series of activities, including a: **(1) Campus Tour, (2) Seminar** that will tackle the current landscape of MSME digitalization in the Philippines, **(3) Networking and Skill-Building Workshop and several nationwide competitions such as (4) Video Advertisement Contest, (5) a Quiz Contest, (6) an Extemporaneous Speech Contest, (7) an Innovation Pitch Competition, and (8) a Policy-Making Contest.** These activities are open to **all senior high school and college students from any degree program** from within and outside the University and will be held on **March 7–8, 2026.**

With this, we are inviting you to be a **partner institution** of our event. We believe that this event aligns with the educational goals of your institution, and will provide students with a unique opportunity of expanding their networks and gaining valuable insights into digital transformation, MSME development, and innovation-driven entrepreneurship.

Further details about the event and the partnership can be found in the attached event primer. Should you require any further information or assistance, please do not hesitate to reach us through email at **upsmes.entrelympics2026@gmail.com** or contact Mariz Julienne Triviño at 09568945087.

We eagerly look forward to a positive response from your end **on or before January 20, 2025**. Thank you very much.

In the spirit of camaraderie, service, integrity, and loyalty,

MARIZ JULIENNE TRIVIÑO

Dear President Pimentel,

Warm greetings from Mindoro State University.

In line with Mindoro State University's commitment to advancing island-based research, innovation, and sustainable development, we are pleased to invite your esteemed institution to participate in the **Global Islands Conference (GIC) 2026**, to be held on **12–13 February 2026** in **Calapan City, Oriental Mindoro**. We respectfully encourage the participation of your faculty researchers, scholars, and academic leaders in this significant international academic gathering.

The Global Islands Conference 2026 carries the theme **"Innovative Pathways to Island Sustainability: Advancing Knowledge, Practice, and Partnership for Sustainable Development Goals."** This conference is endorsed by PASUC, underscoring its alignment with national higher education priorities and its relevance to the research, extension, and innovation mandates of State Universities and Colleges.

GIC 2026 is envisioned as a premier platform that will bring together scholars, researchers, policymakers, practitioners, and community stakeholders from island and coastal regions in the Philippines and abroad. The conference aims to foster interdisciplinary dialogue, strengthen inter-institutional collaboration among SUCs, and generate knowledge-driven and practice-oriented solutions to sustainability challenges confronting island systems.

Participation in the conference will provide your faculty researchers an opportunity to present their research outputs, engage in scholarly exchanges, establish research networks, and contribute to policy and development conversations aligned with the Sustainable Development Goals. It will also serve as a venue to highlight the collective contributions of SUCs to national and global discourses on island sustainability, resilience, and inclusive development.

We sincerely hope for your support in endorsing and encouraging the participation of your faculty researchers in the Global Islands Conference 2026. Your institution's involvement will greatly enrich the academic quality and impact of the conference.

For your reference, the event briefer as well as the PASUC endorsement is enclosed. For further inquiries, your office may contact the 2026 GIC Secretariat via email at globalislandsconference@gmail.com or through mobile at 0977-846-7228.

Thank you very much, and we look forward to welcoming your delegation to Oriental Mindoro.

Respectfully yours,

Asst. Prof. LEONEL C. MENDOZA, M.Sc.
Officer-in-Charge, Office of the VP for Research, Innovation, Technology and Extension

Sir:

Greetings of peace and good health from Tarlac State University!

The Tarlac State University will be holding its **Agunan ning Belwan 2026: 2nd International Multidisciplinary Research Conference** with the theme "*Catalyzing Research and Extension Collaboration and Frontiers: Shaping the Future through Discovery*" to be held on March 25-27, 2026, at the Tarlac State University (Lucinda Campus), Tarlac City, Philippines, and via Zoom Teleconferencing.

The main goal of the conference is to offer an avenue to showcase research findings of researchers from the Philippines and even from other countries that are relevant to the community.

Moreover, this event hopes to accomplish the following objectives:

(1) Provide an avenue for further exploration and development of research outputs;

(2) Provide a forum for the productive exchange of ideas and sharing of experiences among academicians, practitioners, and stakeholders;

(3) Provide opportunities for researchers to disseminate relevant research in a wide range of disciplines within the country; and

(4) Enable participants to establish networks and mutually beneficial partnerships with professionals from other HEIs and the stakeholders across national and international borders.

The conference will proceed with a plenary session for the opening program and two parallel sessions for the paper presentations. To be accepted, submitted papers must be aligned with the conference theme and should fall under the following research areas:

1. **Peace & Indigenous Studies**
2. **Social Sciences**
3. **Human Sciences**
4. **Natural Sciences**
5. **Education**
6. **Health and Allied Medical Sciences**
7. **Business and Economics**
8. **IT and Technology**
9. **Engineering**
10. **Other areas of discipline**

Dear Pres,

I respectfully recommend the conference for faculty researchers, esp. those with funding constraints, as it offers the option to participate as online presenters.

Faculty & researches from RDE units, CA, CAM CBEDEM, CASS, CSM, CHS, CED, CEIT and other interested units may participate.

Subject : **THE INTERNATIONAL CONFERENCE ON BUSINESS, EDUCATION, SOCIAL SCIENCES, AND TECHNOLOGY (BEST 2026)**

Date : May 8, 2026

This is to endorse the International Conference on Business, Education, Social Sciences, and Technology (BEST 2026), organized by the Innovative Technology Convergence Society (ITCS) Inc., in partnership with Northern Iloilo State University (NISU), Aklan State University (ASU), University of Antique (UA), University of Rizal System (URS), and Cavite State University (CvSU). With the theme *"Digital Transformation, Equity, and Resilience: Governing AI and Innovation for Sustainable Development,"* the event will be held on July 14-16, 2026, at the CVSU International Convention Center, Indang, Cavite.

The conference offers opportunities to share related research ideas, theoretical and practical issues, approaches, and methods in various areas of business, education, social sciences, and technology. BEST 2026 aims to provide a platform to optimize, advance, and integrate business, education, social sciences, and technology towards the SDGs for a sustainable future. Specifically, the conference seeks to: 1) provide opportunities for sharing research ideas, addressing theoretical and practical issues, and exploring approaches and methods across various fields of business, education, social sciences, and technology; 2) promote synergy between AI and innovation through collaborative research for sustainable development; 3) encourage interdisciplinary initiatives that support the SDGs and broader sustainability objectives; and 4) foster the growth and expansion of professional networks through research collaboration.

The organizers will accept abstract submissions until May 31, 2026. Presenters and interested participants may pre-register by visiting the event's landing page through the following link: https://best2026.innotcs.org/.They may also visit the organizer's official Facebook page at https://www.facebook.com/profile.php?id=100066933846179# to access full event details.

For your reference and guidance, the event briefer is enclosed. For further inquiries, your office may contact the BEST 2026 Secretariat via email at intechconverge@gmail.com or through mobile number at 0903-641-1118.
