Dear Esteemed Colleague, **Chair Sandra Bangcaya**:

Thank you for **prescribing** our book(s)! We are all tasked with doing our share in educating the youth. We wish to make our humble contribution by sharing our knowledge through our books.

We pray that you will bestow your trust on our other books too. If you have been with us these past year(s) or the past thirty (30) years, we are **eternally grateful**. Maraming, Maraming Salamat! We have been in this vocation since 1996. We have not increased our book prices since 2018 but we're constrained to do so, minimally, starting 2024. Most of our top-of-mind books are priced around P575, P565, P525 and these are latest/updated editions (written very well, in tested/proven multi-editions, thicker, denser, printed using quality materials, in bigger book size 7" x 10").

Most probably you have seen our complete book/price list, but in case you have not, check the Inside Front Cover of our new books or you can ask for our **latest price list** (**from winluballada@gmail.com**). There might be other titles that you still wish to prescribe, please inform us soonest so we can reserve stocks for you. Cost of FREIGHT and Handling is NOT included in the price list (as it varies/case-to-case basis depending on your location).

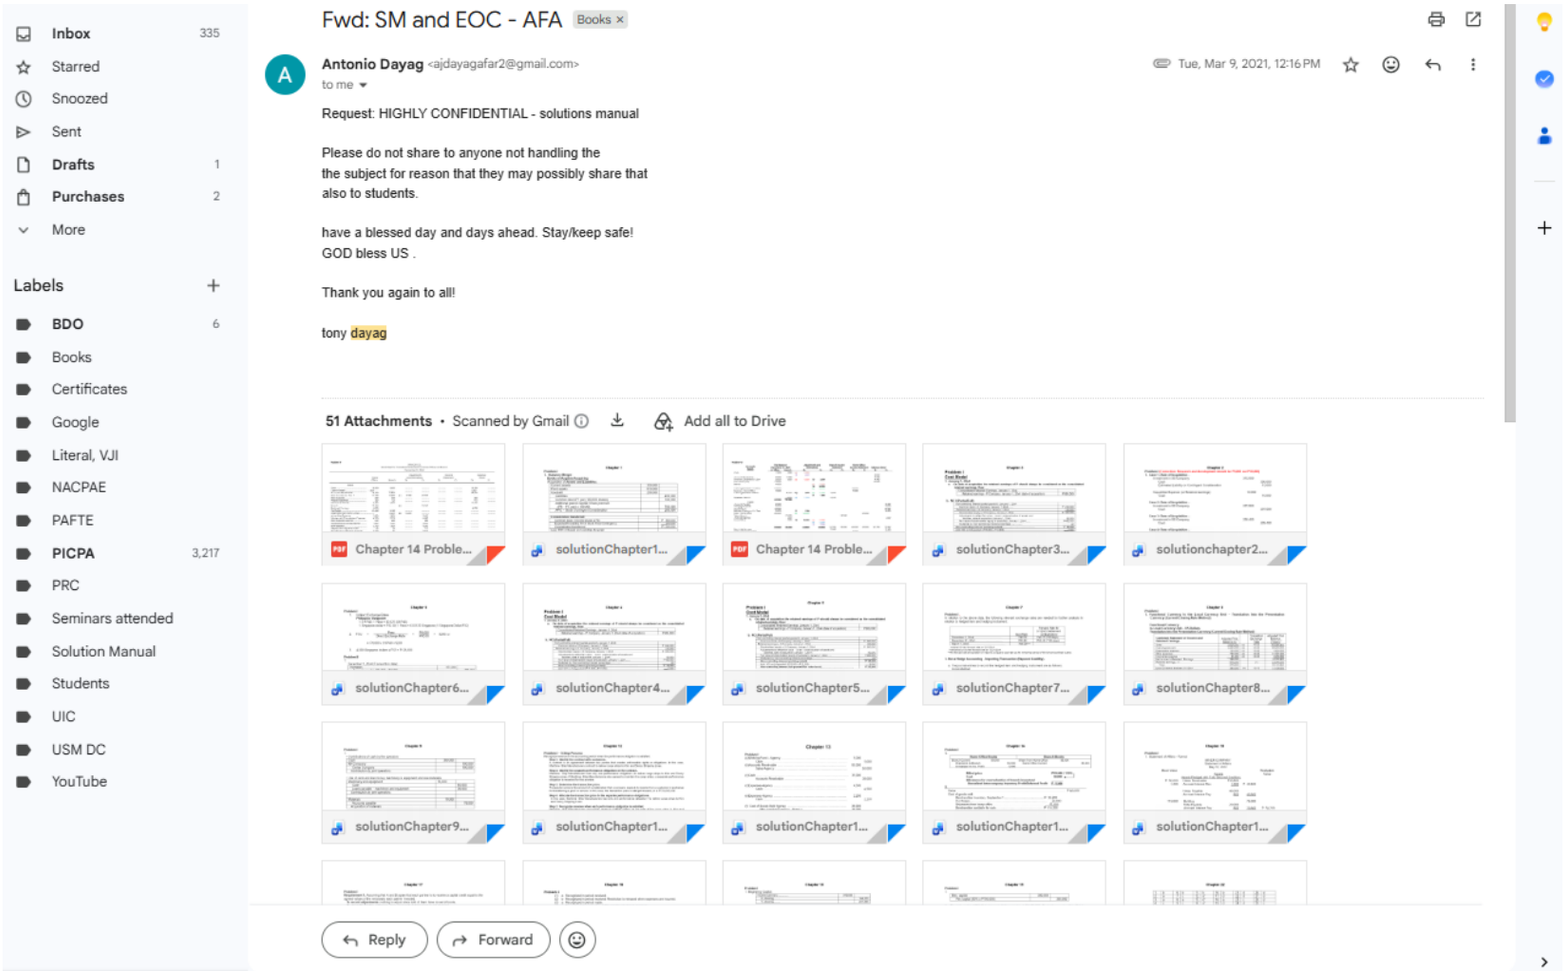

We do NOT sell through apps like Lazada or Shopee, or even via Facebook. Advise the students to buy their books (physical) through you or your school's bookstore. Pakiusap po, please **disallow the use of our books** *(and those from other authors)* **in Portable Document Format or PDF bought thru Facebook and other social media apps; obviously, that is illegal.**

Per our Sales Report, you are allowed access to the Solutions Manual (SM) and Teaching Resources (some books have PowerPoints for Discussion already, others by next semester):

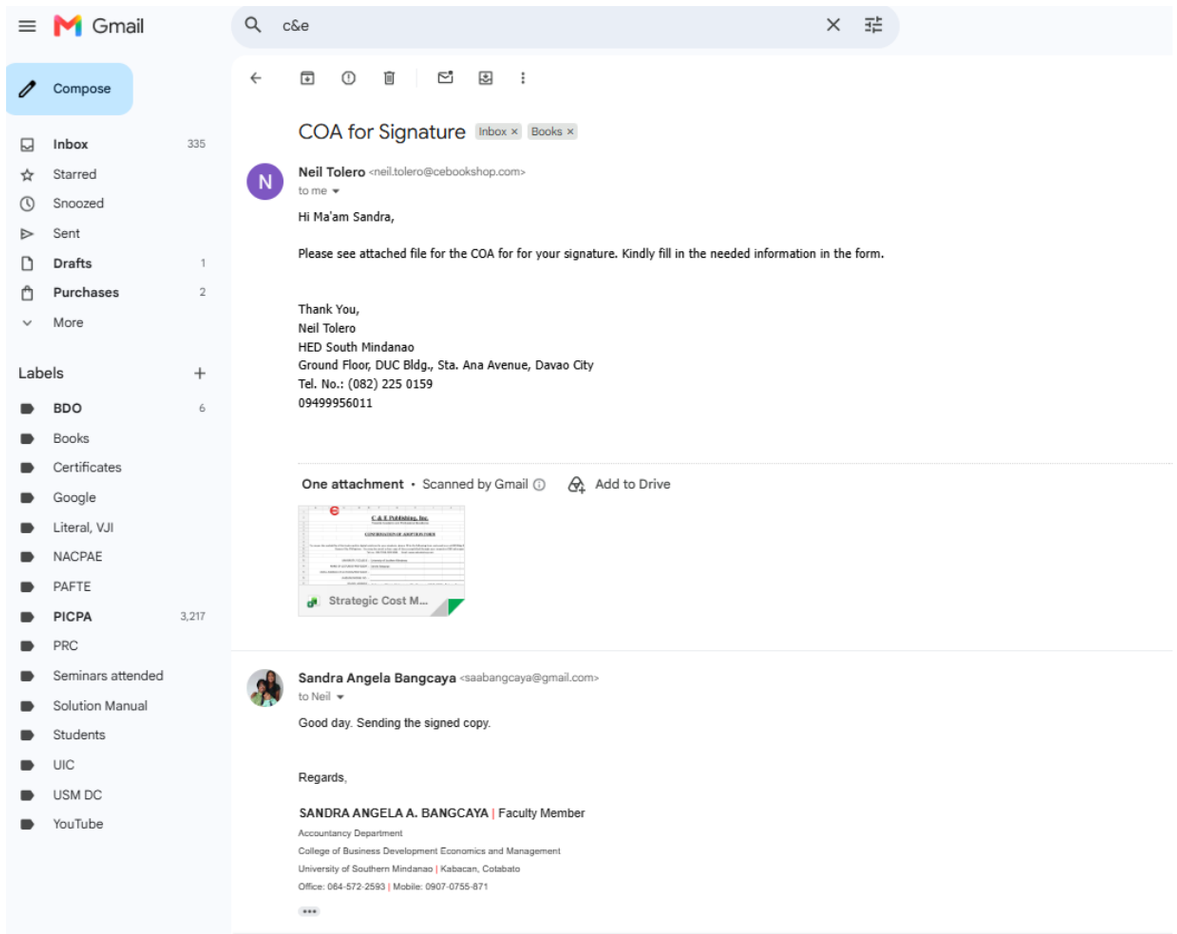

You Can Access the Title(s): All Evaluation Copies (for 1 week when opened)
***and* SM BASIC2027:EvalCopy1:EvalCopy2:EvalCopy3:EvalCopy4**

Since the 1st Semester of 2020, our solutions manual(s) is being deployed thru this proprietary document protection system (PDPS). It offers advantages as you will read below. Kindly read carefully this 1st email along with the 2nd email (if you are a NEW USER) which we will send ***within* a few hours or 8 hours maximum** (IF previously, REGISTERED USER using the same laptop/PC when you registered, no need for the 2nd email). It bears emphasizing that you should "follow the 4 STEPS" to be able to use our e-books (the solutions manual or in some cases, the textbook, if the e-book version is prescribed).
