the HRMDO or authorized official from the government or private sector and verified by the HRMDO.

Training obtained from external providers maybe credited provided appropriate documentations are presented and verified by the HRMDO. Training acquired from external providers must be relevant to instruction, research, extension, resource generation or to the administrative designations of the candidate and aligned with the strategy map or development goal of the university.

USM-initiated or in-service training/learning and development intervention may be considered for purposes of meeting the training requirement of positions. In-service training/ learning and development activities should be registered in the Linang Tao Academy. The equivalent number of hours shall be certified by the Chief Learning Architect.

Attendance to annual agency planning sessions/workshops/ conferences as a requirement for operations and/or services rendered as facilitator/ resource person in seminars/workshops/trainings shall not be considered for meeting the training requirements.

Eligibility for faculty positions refers to the result of passing a merit and fitness test which may be determined as far as practicable by competitive examination or based on highly technical qualifications or other tests of merit and fitness conducted by the Civil Service Commission, Professional Regulation Commission (for Board Eligibilities), Supreme Court (for Bar Eligibility).

The National Budget Circular (NBC) pertaining to compensation and position classification plan for faculty positions in SUCs shall govern the compensation and position classification of faculty positions in USM.

The Faculty Selection Board may, for promotion purposes, shall review and recommend revisions to the promotion indicators and metrics to fully utilize available data that corresponds to the criteria promulgated herein.

Evaluation for recruitment and promotions shall be guided by the competency framework for faculty members. The HRMDO shall develop, periodically review and enhance the competency standards for faculty members subject to the approval of the BOR.

5.3. Faculty Selection Board

The USM "Faculty Selection Board" herein referred to as the FSB shall assist the University President in selecting applicants or candidates for recommendation to the governing board, who shall confirm the appointment of faculty members to positions/ranks.

The regular members of the FSB of the University/College are the following:

a. The Vice President for Academic Affairs as Chairman;

B.1. POLICIES ON HIRING AND SELECTION

This area outlines the university's policies and procedures for hiring and selecting faculty members to ensure transparency and merit-based recruitment.

5.4. Recruitment, Selection, Appointment and Promotion

5.4.1. Recruitment, Selection, and Appointment

5.4.1.1. Recruitment shall be limited to those who meet the minimum requirements prescribed for the rank.

5.4.1.2. Transferees from other state or local universities and colleges, research institutes, and practice-related government agencies may be admitted at their present faculty or equivalent rank in the absence of qualified insider faculty members in USM subject to assessment described herein.

5.4.1.3. If a faculty member is appointed as USM President, he/she loses his/her faculty rank. However, if it is a designation, he/she retains his/her

faculty rank. This is without prejudice to a possible appointment to a fallback faculty position as the Board of Regents may decide.

5.4.1.4. The statuses of appointment for the members of the faculty are the following:

1. **Permanent** appointment shall be issued to a person who meets the qualification standards established for the faculty rank and who shall have successfully completed the probationary period of two years or four regular semesters.

2. **Temporary** appointment shall be issued to a person who meets all the minimum requirements except the education but only in the absence of applicants who possess the minimum educational qualification, as certified by the University President. He/she may be appointed not exceeding twelve months, reckoned from the date it was issued but the appointee may be replaced sooner if a qualified eligible who is willing to accept the appointment becomes actually available. The temporary appointment shall be limited to five (5) times only.

Appointees under temporary status do not have security of tenure and may be separated from the service, with or without cause. As such, they shall not be considered illegally terminated and hence, not entitled to claim back wages and/or salaries and reinstatement to their positions.

The employment or services of appointees under temporary status may be terminated without necessarily being replaced by another. Temporary appointees may also be replaced within the twelve-month period by qualified eligible or even by non-eligible. A temporary appointment to a position which involves practice of profession may be issued to a person who lacks the required experience or training but only in the absence of an applicant who meets all the qualification requirements of the position as certified by the appointing authority.

When there are no available qualified faculty candidates in the region, place or locality, as certified by the appointing officer/authority, temporary appointments may be issued until the required Master's degree is met/complied with in pursuant to CSC MC 25 s 2017.

A 30-day written notice signed by the appointing authority shall be given to the temporary appointee prior to termination of service/removal or replacement.

3. **A contractual** appointment may be issued to a faculty member when the exigency of the service requires, subject to existing policies. Such appointment is for a limited period not to exceed one school year. The appointing authority shall indicate the inclusive period covered by the appointment for crediting services.

A contractual appointment should not be confused with contract of service since the service under the latter is not considered as government service. Contract of service does not give rise to employer-employee relationship between the individual and the government, as opposed to a contractual appointment.

4. A **part-time** appointment may be issued to a regular plantilla position, either as permanent, if the requirements of the position are met; or as temporary, if one of the requirements is not met.

Part-time appointment to a regular plantilla position is different from part-time teaching covered by a contract of service or a job order. The former is submitted to the CSC as it involves appointment to a regular plantilla position, only that the work is part-time.

Service under a part-time appointment is government service and forms part of the faculty member's service record.

5. Substitute – an appointment issued when the regular incumbent of a position is temporarily unable to perform the duties of the position as when the incumbent is on an approved leave of absence, under suspension, on a scholarship grant or is on secondment. This is effective only until the return of the incumbent.

5.4.1.5. **Contract of Service (COS)** Faculty is not covered by this selection plan. COS Faculty refers to learning service provider to undertake instruction/ teaching activities for a semester of academic workload. Part-time teaching covered by a contract of service does not give rise to employer employee relationship between USM and the person hired, and it is stipulated in the contract that services rendered cannot be accredited as government service. Furthermore, the teaching staff member covered by a contract of service or a job order is not entitled to benefits enjoyed by government employees. Hiring through COS shall be governed by the relevant provisions of RA 9184 and CSC-DBM-COA Joint Circular 1 series of 2017 as amended by Joint Circular 1 series of 2018 or other applicable issuances hereinafter promulgated.

5.4.1.6. Procedures

The University shall recruit and appoint its faculty in accordance with the following procedures:

5.4.1.6.1. The HRMDO shall periodically assess the manpower requirements for each academic department. A five-year manpower projection shall be prepared by each department chairperson and to be submitted to the HRMDO for consolidation.

5.4.1.6.2. The HRMDO shall coordinate with the Planning and Development Office in identifying the human resource needs to support the strategic directions of the University. Priority academic program shall be identified based on the human resources need of the region. In addition, the academic departments that support the research and extension of the region shall also be given the priority.

5.4.1.6.3. The strategic directions of the university and the manpower needs assessment form the basis of the USM President for declaring, matching, and allocating vacant items to various departments/ specialization. 5.4.1.6.8. The result of the assessment shall be uploaded to the Dynamic Candidates Assessment System (DYCAS) which shall serve as a talent bank for candidates for further selection process.

5.4.1.6.9. The FSB shall refer to the faculty manpower needs as determined in step c to generate comparative matrix of candidates using the data from DYCAS.

5.4.1.6.10. The HRMDO Analytics team shall coordinate with the Chief Learning Architect of the Linang Tao Academy to generate data for DYCAS on the following framework:

Assessment Domain	Point Allocation	Assessment Strategies

This evaluation report should not only specify whether the candidates meet the qualification and competency standards of the position but should also include observations and comments on the candidates' competence and other qualifications that are important in the performance of the duties and responsibilities of the position to be filled including potential in doing research, extension, and resource generation. The evaluation report shall specify the placement

of candidates in the nine-box potential-performance matrix giving emphasis on the high potential - high performance star candidates.

5.4.1.6.12. The HRMDO shall also conduct background investigation of the star candidates and form part of the report to be submitted to the appointing authority. The report shall include personal circumstances of the candidates that have bearing on the equal opportunity principles or they're being a PWD, Solo Parent, and Indigenous Peoples groups (IPs).

5.4.1.6.13. 5.4.1.6.14. The Board of Regents or the USM President, as the case may be, shall issue the appointment in accordance with the provisions of this Merit Selection Plan as approved by the Board of Regents, and submitted to the CSC.

5.4.1.6.15. The HRMO shall post a notice announcing the appointment of an employee in three (3) conspicuous places in USM for at least ten (10) days, immediately a day after the issuance of the appointment. The date of posting should be indicated in the notice.

5.4.1.6.18. The Board of Regents may also opt to appoint recruits for Associate Professor I to Professor VI on meritorious cases (e.g. leading expert in the industry/profession or with high PROFESS accreditation system scores) provided minimum requirements are met and vacant items are available.

5.4.1.6.19. The President may appoint faculty members in meritorious cases (e.g. board exam topnotchers, etc.) from Instructor I to Assistant

5.4.3. Promotion
