DR. ALLEN SHANE C. GARCIA, CPA
Associate Editor
Assistant Professor I at the University of Southern Mindanao,
Accountancy Department
Dr. Allen Shane C. Garcia is a Certified Public Accountant (CPA) and an Assistant Professor I at the University of Southern Mindanao (USM). She earned her Doctor in Business Management degree, demonstrating her commitment to academic excellence, professional development, and the advancement of knowledge in business and accounting education. Her expertise encompasses accounting, business management, and financial management, which serve as the foundation of her teaching, research, and scholarly endeavors.
As a faculty member of the USM Accountancy Department, Dr. Garcia is actively engaged in instruction, research, and academic service. Her research interests focus on accounting, business management, and financial management, with particular emphasis on generating evidence-based studies that contribute to the development of the profession and inform organizational and financial decision-making.
Dr. Garcia has served as a thesis adviser for undergraduate students enrolled in the Bachelor of Science in Accountancy and Bachelor of Science in Management programs, providing academic guidance and research mentorship throughout the completion of their scholarly work. She has also served as the Research Coordinator of the USM Accountancy Department, where she has played a significant role in promoting research productivity, facilitating faculty and student research activities, and supporting institutional research initiatives. Through her dedication to teaching, research, and public service, Dr. Garcia continues to contribute meaningfully to higher education and the advancement of the accounting and business professions.
