

## **B. Dissemination and Acceptability**

It is expected that the Institution disseminates, and works for the acceptance of the Vision, Mission, Goals and objectives by the stakeholders. To facilitate awareness and acceptance, it is a good practice that the faculty, non-teaching staff, students, linkages, the community, and other stakeholders are involved in the formulation, review and or revision of the VMGO. An outcomes-based assessment will focus on the extent to which the program objectives are attained as shown in the outcomes. Thus, there must be a common understanding and acceptance of the end results of the program by both the faculty and the students. It should be demonstrated that the program objectives (outcomes) are consistent with the College goals and the College goals with the Mission of the Institution. On a long-term perspective, the accomplishment of the Mission will lead to the realization of the Vision of the Institution.
